Exploring a world of exquisite cocoa marvels

Exports

Our proud partnerships

Join the league of satisfied partners and customers. We cater to esteemed brands like Top Saho, Padi, Carel and Festiva, while also serving both domestic and institutional clients.

As major exporters, we offer a diverse range of products including:

3-in-1

An unique blend of Cocoa, Milk and Sugar for a quick, easy and delicious chocolate beverage. This chocolate powder dissolves easily and effortlessly in plain hot water, resulting in a consistently smooth and creamy beverage.

Malted-Cocoa Beverage

An instant beverage combining malt, cocoa, milk and sugar. This is a perfect beverage for cocoa malt lovers comprising of fine granules for an instant beverage factor by just mixing in hot water.

Agglomerated Products

We pride ourselves to be one of few to master the technology of agglomeration creating unique granules. Our products are a unique blend of premium ingredients crafted through an expert process of agglomeration and instantisation. We have an Instant Drinking Chocolate product which is our major exported product to the African Markets.

Fruit Beverages

Customised fruit-flavoured beverages in granular form made as per requirements from our customers, the favourite flavours being Lime, Orange, Pineapple, Grapes, Strawberry.
